## **The Constitution of the State of Alaska**

### **Article 10 - Local Government**

#### **§ 1. Purpose and Construction**

The purpose of this article is to provide for maximum local self-government with a minimum of local government units, and to prevent duplication of tax-levying jurisdictions. A liberal construction shall be given to the powers of local government units.

#### **§ 2. Local Government Powers**

All local government powers shall be vested in boroughs and cities. The State may delegate taxing powers to organized boroughs and cities only.

#### **§ 3. Boroughs**

The entire State shall be divided into boroughs, organized or unorganized. They shall be established in a manner and according to standards provided by law. The standards shall include population, geography, economy, transportation, and other factors. Each borough shall embrace an area and population with common interests to the maximum degree possible. The legislature shall classify boroughs and prescribe their powers and functions. Methods by which boroughs may be organized, incorporated, merged, consolidated, reclassified, or dissolved shall be prescribed by law.

#### **§ 4. Assembly**

The governing body of the organized borough shall be the assembly, and its composition shall be established by law or charter. [Amended 1972]

#### **§ 5. Service Areas**

Service areas to provide special services within an organized borough may be established, altered, or abolished by the assembly, subject to the provisions of law or charter. A new service area shall not be established if, consistent with the purposes of this article, the new service can be provided by an existing service area, by incorporation as a city, or by annexation to a city. The assembly may authorize the levying of taxes, charges, or assessments within a service area to finance the special services.

#### **§ 6. Unorganized Boroughs**

The legislature shall provide for the performance of services it deems necessary or advisable in unorganized boroughs, allowing for maximum local participation and responsibility. It may exercise any power or function in an unorganized borough which the assembly may exercise in an organized borough.

#### **§ 7. Cities**

Cities shall be incorporated in a manner prescribed by law, and shall be a part of the borough in which they are located. Cities shall have the powers and functions conferred by law or charter. They may be merged, consolidated, classified, reclassified, or dissolved in the manner provided by law.

## **§ 8. Council**

The governing body of a city shall be the council.

## **§ 9. Charters**

The qualified voters of any borough of the first class or city of the first class may adopt, amend, or repeal a home rule charter in a manner provided by law. In the absence of such legislation, the governing body of a borough or city of the first class shall provide the procedure for the preparation and adoption or rejection of the charter. All charters, or parts or amendments of charters, shall be submitted to the qualified voters of the borough or city, and shall become effective if approved by a majority of those who vote on the specific question.

## **§ 10. Extended Home Rule**

The legislature may extend home rule to other boroughs and cities.

## **§ 11. Home Rule Powers**

A home rule borough or city may exercise all legislative powers not prohibited by law or by charter.

## **§ 12. Boundaries**

A local boundary commission or board shall be established by law in the executive branch of the state government. The commission or board may consider any proposed local government boundary change. It may present proposed changes to the legislature during the first ten days of any regular session. The change shall become effective forty-five days after presentation or at the end of the session, whichever is earlier, unless disapproved by a resolution concurred in by a majority of the members of each house. The commission or board, subject to law, may establish procedures whereby boundaries may be adjusted by local action.

## **§ 13. Agreements; Transfer of Powers**

Agreements, including those for cooperative or joint administration of any functions or powers, may be made by any local government with any other local government, with the State, or with the United States, unless otherwise provided by law or charter. A city may transfer to the borough in which it is located any of its powers or functions unless prohibited by law or charter, and may in like manner revoke the transfer.

## **§ 14. Local Government Agency**

An agency shall be established by law in the executive branch of the state government to advise and assist local governments. It shall review their activities, collect and publish local government information, and perform other duties prescribed by law.

## **§ 15. Special Service Districts**

Special service districts existing at the time a borough is organized shall be integrated with the government of the borough as provided by law.

**Alaska State Statutes**  
**AS 29.06.040 - AS 29.06.060**

**Sec. 29.06.040. Municipal boundary changes.**

(a) The Local Boundary Commission may consider any proposed municipal boundary change. The commission may amend the proposed change and may impose conditions on the proposed change. If the commission determines that the proposed change, as amended or conditioned if appropriate, meets applicable standards under the state constitution and commission regulations and is in the best interests of the state, it may accept the proposed change. Otherwise, it shall reject the proposed change. A Local Boundary Commission decision under this subsection may be appealed under AS 44.62 (Administrative Procedure Act).

(b) The Local Boundary Commission may present a proposed municipal boundary change to the legislature during the first 10 days of a regular session. The change becomes effective 45 days after presentation or at the end of the session, whichever is earlier, unless disapproved by a resolution concurred in by a majority of the members of each house.

(c) In addition to the regulations governing annexation by local action adopted under [AS 44.33.812](#), the Local Boundary Commission shall establish procedures for annexation and detachment of territory by municipalities by local action. The procedures established under this subsection must include a provision that

(1) a proposed annexation must be approved by a majority of votes on the question cast by voters residing in the annexing municipality;

(2) a proposed annexation or detachment must be approved by a majority of votes on the question cast by voters residing in the area proposed to be annexed or detached;

(3) municipally owned property adjoining the municipality may be annexed by ordinance without voter approval; and

(4) an area adjoining the municipality may be annexed by ordinance without an election if all property owners and voters in the area petition the governing body.

(d) A boundary change effected under (a) and (b) of this section prevails over a boundary change initiated by local action, without regard to priority in time.

**Sec. 29.06.050. Annexation of military reservations.**

A military reservation may be annexed to a municipality in the same manner as prescribed for other territory under [AS 29.06.040](#). If a city in a borough annexes a military reservation under this section, the area encompassing the military reservation automatically is annexed to the borough in which the city is located.

**Sec. 29.06.055. Property taxes in annexed or detached areas.**

(a) Unless the annexation takes effect on January 1, the annexing municipality may not levy property taxes in an annexed area before January 1 of the year immediately following the year in which the annexation takes effect. However, notwithstanding other provisions of law, the municipality may provide services in the annexed area that are funded wholly or partially with property taxes during the period before the municipality may levy property taxes in the annexed area.

(b) If an area is detached from a municipality, all property taxes that are levied by that municipality on property in the detached area based on an assessment that occurred before the effective date of the detachment remain valid. [AS 29.45.290](#) - 29.45.500 apply to the enforcement of those taxes.

Sec. 29.06.060. Application.

[AS 29.06.040](#) - 29.06.060 apply to home rule and general law municipalities.

(b) The communications media and the land, water, and air transportation facilities throughout the proposed expanded boundaries of the borough must allow for the level of communications and exchange necessary to develop an integrated borough government. In this regard, the commission may consider relevant factors, including

(1) transportation schedules and costs;

(2) geographical and climatic impediments;

(3) telephonic and teleconferencing facilities; and

(4) electronic media for use by the public.

(c) In determining whether communications and exchange patterns are sufficient, the commission may consider whether

(2) the communications and exchange patterns would adequately facilitate interrelationships and integration of the people in an expanded borough.

- (6) valuations of taxable property in the area proposed for annexation;

(a) The proposed expanded boundaries of the borough must conform generally to natural geography and must include all land and water necessary to provide the development of essential municipal services. In this regard, the commission may consider relevant factors, including

(1) land use and ownership patterns;

(3) repealed 1/9/2008;

(4) existing and reasonably anticipated transportation patterns and facilities;

(5) natural geographical features and environmental factors; and

(6) extraterritorial powers of boroughs.

(b) Absent a specific and persuasive showing to the contrary, the commission will presume that an area that is not contiguous to the annexing borough, or that would create enclaves in the annexing borough, does not include all land and water necessary to allow for the development of essential municipal services.

(c) When considering the annexation of area to a borough, the commission may review

(1) the model borough boundaries for the area for which annexation is proposed;

(2) regional boundaries, including

(A) boundaries of one or more regional educational attendance areas existing in the area proposed for annexation;

(B) federal census area boundaries;

(C) boundaries for regional Native corporations under 43 U.S.C. 1601 - 1629h (Alaska Native Claims Settlement Act); and

(3) whether the borough will, following the proposed annexation, embrace a maximum area and population with common interests;

(4) whether the annexation promotes maximum local self-government, as determined under 3 AAC 110.981;

(5) whether the annexation promotes a minimum number of local government units, as determined under 3 AAC 110.982 and in accordance with art. X, sec. 1, Constitution of the State of Alaska; and

(6) whether the proposed borough boundaries are the optimum boundaries for that region in accordance with art. X, sec. 3, Constitution of the State of Alaska.

(d) Repealed 1/9/2008;

(e) If a petition for annexation to a borough describes boundaries overlapping the boundaries of an existing organized borough, the petition for annexation must also address and comply with the standards and procedures for detachment of the overlapping region from the existing organized borough.

(f) A petition for annexation to a borough may not include only a portion of the territory of an existing city government.

(g) Requirements relating to limitation of community, as set out in 3 AAC 110.130(c), do not apply to boroughs.

In determining whether annexation to a borough is in the best interests of the state under AS 29.06.040(a), the commission may consider relevant factors, including whether annexation

(1) municipal annexation, detachment, deunification, dissolution, merger, or consolidation, a city reclassification, or a legislative-review borough incorporation under [AS 29.05.115](#), and if the commission determines that the proposed change must be altered or a condition must be satisfied before the proposed change can take effect, the commission will include that condition or alteration in its decision; or

(2) municipal incorporation subject to [AS 29.05.060](#) - 29.05.110, and if the commission determines that an amendment to the petition or the placement of a condition on incorporation may be warranted, the department shall provide public notice and an opportunity for public comment on the alteration or condition before the commission amends the petition or imposes a condition upon incorporation; if the department recommended the proposed change or condition and the public had an opportunity to comment on the proposed change or condition at a commission hearing, an additional notice or comment period is not required.

(d) If the commission determines that a proposed change fails to meet the standards contained in the Constitution of the State of Alaska, [AS 29.04](#), [AS 29.05](#), [AS 29.06](#), or this chapter, or is not in the best interests of the state, the commission will reject the proposed change. If a motion to grant a proposed change receives fewer than three affirmative votes by commission members, the proposed change is rejected.

(e) The commission will keep written minutes of a decisional meeting. Each vote taken by the commission will be entered in the minutes. The approved minutes are a public record.

(f) Within 30 days after the date of its decision, the commission will issue a written decision explaining all major considerations leading to the decision. A copy of the statement will be mailed to the petitioner, respondents, and other interested persons requesting a copy. The department shall execute and file an affidavit of mailing as a part of the public record of the proceedings.

(g) Unless reconsideration is requested timely under 3 AAC [110.580](#) or the commission, on its own motion, orders reconsideration under 3 AAC [110.580](#), a decision by the commission is final on the day that the written statement of decision is mailed, postage prepaid, to the petitioners and the respondents.

### **3 AAC 110.580. Reconsideration**

(a) Within 18 days after a written statement of decision is mailed under 3 AAC [110.570\(f\)](#) , a person may file an original and five copies of a request for reconsideration of all or part of that decision, describing in detail the facts and analyses that support the request for reconsideration.

(b) Within 30 days after a written statement of decision is mailed under 3 AAC [110.570\(f\)](#) , the commission may, on its own motion, order reconsideration of all or part of that decision.

(c) A person filing a request for reconsideration shall provide the department with a copy of the request for reconsideration and supporting materials in an electronic format, unless the department waives this requirement because the person requesting reconsideration lacks a readily accessible means or the capability to provide items in an electronic format. A request for reconsideration must be filed with an affidavit of service of the request for reconsideration on the petitioner and each respondent by regular mail, postage prepaid, or by hand-delivery. A request for reconsideration must also be filed with an affidavit that, to the best of the affiant's knowledge, information, and belief, formed after reasonable inquiry, the request for reconsideration is founded in fact and is not submitted to harass or to cause unnecessary delay or needless expense in the cost of processing the petition.

(d) If the person filing the request for reconsideration is a group, the request must identify a representative of the group. Each request for reconsideration must provide the physical residence address and mailing address of the person filing the request for reconsideration and the telephone number, facsimile number, and electronic mail address, if any, for the person or representative of the group.

(e) The commission will grant a request for reconsideration or, on its own motion, order reconsideration of a decision only if the commission determines that

(1) a substantial procedural error occurred in the original proceeding;

(2) the original vote was based on fraud or misrepresentation;

(3) the commission failed to address a material issue of fact or a controlling principle of law; or

(4) new evidence not available at the time of the hearing relating to a matter of significant public policy has become known.

(f) If the commission does not act on a request for reconsideration within 30 days after the decision was mailed under 3 AAC [110.570\(f\)](#), the request is automatically denied. If it orders reconsideration or grants a request for reconsideration within 30 days after the decision was mailed under 3 AAC [110.570\(f\)](#), the commission will allow a petitioner or respondent 10 days after the date reconsideration is ordered or the request for reconsideration is granted to file an original and five copies of a responsive brief describing in detail the facts and analyses that support or oppose the decision being reconsidered. The petitioner or respondent shall provide the department with a copy of the responsive brief in an electronic format, unless the department waives this requirement because the petitioner or respondent lacks a readily accessible means or the capability to provide items in an electronic format.

(g) Within 90 days after the department receives timely filed responsive briefs, the commission, by means of the decisional meeting procedure set out in 3 AAC [110.570\(a\)](#) - (f), will issue a decision on reconsideration. A decision on reconsideration by the commission is final on the day that the written statement of decision is mailed, postage prepaid, to the petitioner and the respondents.

### **3 AAC 110.630. Effective date and certification**

(a) Except as provided in (b) or (c) of this section, a final decision of the commission is effective when
